Background Check Information – **FOR TUTORS ONLY**

Chatham County has exciting plans for development that will bring many new people and businesses to the area. We at Chatham Literacy anticipate this will also increase the need for the services we provide. In preparation, we have looked at other state and county literacy programs, as well as talked with ProLiteracy, an umbrella organization providing support for all facets of literacy. We are working to incorporate best practices from those organizations. One of those practices we have adopted is background checks for staff and tutors.

We ask that you authorize our ability to conduct a background check. Please write a check to Chatham Literacy for \$18.50 to cover the cost.

This page and your background screening will be stored securely in a locked filing cabinet in the Executive Director's office.

Upon your approval, we will provide you with the website link to the National Center for Safety Initiatives (NCSI) where you will enter your personal information. We will never be privy to your social security number.

We are excited about the future of Chatham Literacy and want to thank you for everything you do for the organization and your future adult learners and for helping us to embrace this best practice.
