### **Privacy Policy**

We are highly sensitive to the privacy interests of consumers and believe that the protection of those interests is one of its most significant responsibilities. In acknowledgment of its obligations, we have adopted the following Privacy Policy applicable to information about consumers that it acquires in the course of its business:

1. **Acquisition of Information.** We do not acquire any more information about consumers than is required by law or is otherwise necessary to provide a high level of service efficiently and securely.
2. **Our Employees and Privacy.** We train all our employees in terms of the importance of privacy. We give access to information about consumers only to those employees who require it to perform their jobs.
3. **Security Measures.** We make access to privacy-sensitive information subject to rigorous procedural and technological controls, consistent with legal requirements and the demands of customer service.
4. **Disclosure to Third Parties.** We will provide individually identifiable information about consumers to third parties only if we are compelled to do so by order of a duly empowered governmental authority, we have the express permission of the consumer, or it is necessary to process transactions and provide our services.
5. **Privacy and Our Business Partners.** When we make our technology or services available to business partners, we will not share with them any more consumer information than is necessary, and we will make every reasonable effort to assure, by contract or otherwise, that they use our technology and services in a manner that is consistent with this Privacy Policy.
